It is proposed by **Johanne V. Beaudoin**, supported by **Mitchell Lawless** and unanimously resolved to declare the following:

1. Section 2 of By-Law No. 2016-R-003 is replaced by the following:

As of January 1, 2024, a tax is imposed on the provision of a telephone service, the amount of which is, for each telephone service, is \$0.52 per month per telephone number or, in the case of a multiline service other than a Centrex service, per outgoing access line.

2. By-Law No. 2009-R-003 is amended by inserting the following after section 2:

The amount of the tax is indexed, on January 1st of each year beginning in 2025, according to the rate corresponding to the annual variation in the overall average consumer price index for Quebec, excluding alcoholic beverages, tobacco products, smokers' supplies and recreational cannabis, for the 12-month period ending June 30th of the year preceding the year for which the amount of the tax is to be indexed.

This amount, thus indexed, is decreased to the nearest cent if it includes a fraction of a cent less than \$0.005; it is increased to the nearest cent if it includes a fraction of a cent equal to or greater than \$0.005.

The result of this indexation corresponds to the amount published by the Minister of Municipal Affairs, Regions and Land Occupancy in Part 1 of the Gazette officielle du Québec, in accordance with article 2.1 of the Règlement encadrant la taxe municipale pour le 9-1-1 (chapter F-2.1, r. 14).
